

Good morning K4J kids,

Happy school holidays 😊 😊 😊 Now everyone's holidays are different and these holidays might still be a bit strange because of the coronavirus.

So, we have made a list of things you can try at home for a bit of fun:

- Build a tent/cubby house in the lounge room and have a sleep out
- Enjoy a movie marathon
- Go for a bug hunt and look for all the different type of bugs you have in your backyard
- Dress up and put on a fashion show
- Have a craft day
- Hold your own Lego Masters competition with your family
- Have a friend over
- Bake some yummy treats

So, whether you are going away for your holidays or are relaxing at home (like the Doolan family) remember to have fun and like this week's song read your bible pray every day.

We miss you all. God Bless you.

Peter, Rebecca, Grace & Olivia
